## FOREWORD

In order to preserve precious memories of school days, we edit this book, "The Myrialog." There are two reasons for its publication—to record the accomplishments and deeds of the class of '55 and to keep in lasting memory the pleasant associations made during our sojourn at our Alma Mater.

If in years to come memories may be recalled by scanning these pages, our efforts shall not have been in vain.

The first publication of a yearbook began in 1921. The tradition continued for two years, then the book lapsed. The class of 1949 again published a yearbook, giving it the title, "The Myrialog."

Now, we, the class of '55, continue this tradition. In future years, when we have each gone our own way, it is hoped that this yearbook will remind them of the grand times enjoyed during their stay at Myerstown High School.

## Dedication

We, the class of 1955, proudly dedicate our yearbook, "The Myrialog," to Mr. Howard Klopp, whose wise counsel, patience, and willingness to help us, have been a constant source of inspiration. To us and our problems he has given unselfishly of his time and energy and therefore shall always occupy a fond place in our memories. His unfailing efforts in forwarding our education will long be remembered.

### Tribute

We wish to pay tribute to Miss Mabel C. Immel, who so willingly gave of her time and effort to make our senior year a success.

Without her able assistance we would not have been near as fortunate in our Landis and Landis Club, Magazine sales, the Fair, and in the publication of this yearbook.

Without her hand pushing us forward we would never have been able to attain our goal, the New York trip.

To her now, in order to show our appreciation, we pay this tribute.

## Alma Mater

### I

Faithful and true-hearted, Let us cheer our dear old High,  
We revere her and defend her, and her colors proudly fly:  
We will stand for her united, Of her deeds we gladly tell,  
Her colors streaming, Glad faces beaming,  
So here's a cheer for her that we all love so well.

### CHORUS

Joyous and ever loyal, Let us boost for our old High,  
Let ev'ry heart sing, Let ev'ry voice ring,  
There's no time to grieve or sigh.  
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,  
But, united, We will boost for her, our Old High School.

### II

Honors she has taken, On the track and with the ball,  
May she always rank the highest, May her colors never fall.  
There's no other that can match her, When her team is on the field,  
Her boys the fleetest, Her girls the sweetest,  
Then here's a cheer for her, for her who ne'er will yield.

## Custodians

If we did not have these people in our schools we would not have very clean surroundings to work in. We are most grateful for the work and time they spend in order to keep Myerstown High School neat and clean.

In the future it would be very considerate if all the students would do their share in helping to keep our school clean.

## Memoirs of the Senior Year

We shall never forget our class play rehearsals and then the big event of public performance on the evenings of November 18th and 19th. Our other big events all occurred at the end of the year. Our Class Trip was first, on the 9th, 10th and 11th of May. We had one day of rest, then the Junior-Senior Prom on the 13th. This was followed by Class Day on May 20th. This was our last day to "blow off our steam." The more serious events came next, with Baccalaureate on May 22nd. The final, but most significant event, was Commencement. Now we are on our own, facing the problems of a life time which will yield success and happiness to everyone.

## Class History

In 1943 our happy but crying mothers bade us farewell on the door-step. This was to be our first day of school under the supervision of Miss Loose. During the first stop of our educational career we were taught the A, B, C's and the 1, 2, 3's. We were divided into three reading classes, the Robins, Bluebirds and Sparrows. Our orchestra that year was called "The Rhythm Band," in which we learned all about the triangle, tambourine, and such delicate instruments. We used to play doctor, too. We even had medicine, using candy hearts as pills.

We made our second stop and were ably assisted through second grade by Mrs. Emerick. Here we began to get a taste of the 3R's unabridged. We began to collect milk weed pods as a class project.

Miss Schell ushered us into a beautiful but sad third grade, where we were taught the long and short of it (by this we mean division). By this time Jere Pearson and Dave Ebling were already up to nonsense.

Fourth grade made us very energetic, for this year we had to climb steps every morning. We were finally promoted a floor and had our own private stairway. Miss Layser taught us the multiplication tables from 1 to 10. The boys finally started taking an interest, we girls wondered if it were the lessons or the teacher's beautiful red hair. Remember the day Charles Miller made his debut with his squeaking clarinet.

Mrs. Groff taught us poems, and how we loved to recite them individually before the rest of the class. This is the year Harold Mann decided to bring flowers to Mrs. Groff, the only catch was he picked them in her own backyard.

Finally we reached the half-way mark when we entered Mr. Snavely's room. We felt very privileged, for this year we had a piano in our room. We also learned the art of ducking erasers, which came flying our way. This was the first year we had a library. It took some of us very long to decide which book we wanted, especially when we got out of class to choose one. The boys particularly liked health class, in the summer we played baseball outside and Mr. Snavely was the ump. We remember well the big clock and the constant ring of the telephone, which caused much confusion even among the teachers. We were also the guardians of the entire school in the form of the Safety Patrol, and exerted our authority, especially in the snowball season.

We began a wonderful new adventure when we entered 7th grade. Miss Werner and Mr. Daniels had the difficult job of explaining what everything was all about. We came to know Mr. Nitrauer quickly and learned that his word was law. We were quickly introduced to Mr. Mitchell and his old expression, "In the corner quickly."

Eighth grade came and Mr. Daniels and Mrs. Brightbill had their troubles. Many a night we stayed after school until the entire class got quiet.

The following year we acquired a title of Freshman. We wrote essays—many essays for Mr. Klopp, such as Speech is Silver, Silence is Golden and the history of chewing gum. Romances flourished and studies were forgotten.

In tenth grade we were sporting our new class jackets, which we thought were the greatest things in the school. We had Mr. Bucher and Mr. Batdorf for home-room teachers. We dissected frogs, grasshoppers, and crawfish in Biology class. Mr. Klopp took us on a tour of Gettysburg.

The big day came and we were happily flashing around our brand new class rings. It wasn't long before our class rings changed hands as often as the weather. This year we gave the "Jr.-Sr. Prom," our theme was, "Somewhere Over the Rainbow." Mr. Klopp took us on a tour of F. & M. College in Lancaster. We also went to see an L. V. C. basketball game.

Finally we reached the top. This year we made the French Fries at the fair, the girls washed their hair every day and the Home Ec girls were kept busy with the cafeteria. We had a marvelous time gathering Landis and Landis members and selling magazine subscriptions. The P.O.D. classes took a trip to the County Court House and we visited the Lebanon Daily News Office. But, of course, the thing we looked forward to most came, our trip to New York. We know these memories will live in our hearts forever.

## Class Prophecy

Here it is the year 1975, as we see it through the Super Duper microscope of the future. Approaching the metropolis of Myerstown, population 6,299½, we see many new buildings and sections, together with news of our former classmates.

Ruth Bennetch has just married Senator Apple Howell, representing the second district of Charles Geib's hamster farm.

Curtis Houtz has been made foreman of the sewer main running from Main to Park Street.

As we inquire about the town, we find that Barbara Morris Labe has opened a fashion shop with Larry Morris, her husband in charge of the Ladies' Underwear Department. Their motto is, "We try everything to make sure it fits."

Jere Pearson has finally made a name for himself by making an amphibious automobile, which has been tested and proved successful in the Myerstown Fish Dam testing grounds.

Thomas Cox and Harold Mann have just made a journey to England to find out what size shoe King Arthur's brother wore.

Nancy Honker is still studying advanced mathematics at the Kieffer, Jeffers Institute for females only.

George Peiffer has been promoted to assistant grease monkey at John Tice's hot rod shop.

Sylvia Wandell residing in the nation's capital has just introduced a bill for national cat week in order to preserve and honor more cats.

Through many years and months of research and experimentation Wilbur Wagner has just found a new roofing material. He claims it will out live, out wear and out shine any house it is applied to. By the way, this roofing material is invisible.

John Mentzer has become the world's greatest hot rod driver and has broken the speed record at Gerald Derr's slippery oval.

Pat Hower has become an M. M. U. (Marilyn Monroe Understudy).

Irene Fox has just been made head nurse for the rarest operation ever performed, removing the solid mass from between Jay Wenger's ears. Pat Potteiger, the anaesthesiologist for the operation, seems to have given Jay the wrong anaesthetic, for he hasn't yet revived. William Fencil was the head Surgeon.

The great sister combination, Betty and Florence Haldeman, are still trying to raise king sized pastel filter tip cigarettes on their tobacco farm in Bolivia, South America.

As we enter our dear, old alma mater we find William Fessler working in the chemistry lab still trying to prove that wood burns.

While touring the town, we find that Myerstown now has its own bus service. The owners are Shirley Louser, driver, Betty Shower, ticket taker, and Nancy Krall, mechanic. These owners of "The Hit All the Bumps Transit Company" run a full schedule between Railroad and College Streets.

## Class Prophecy—(Continued)

Ernie Firestine and Terry Schott have opened a gymnasium. Their slogan is "Your Beard Is Worth Fighting For," designed to teach men eighty years and over the art of self defense. An ardent admirer of co-owner Ernie Firestine is Helen Yiengst who hasn't yet thrown in the towel for her fight for cool-headed Ernie.

Virginia Saylor has opened a nursery school for only babies who have blonde curly hair . . . . teacher is swamped with apples.

Sandra Koller recently published a book which sold over 2,000 copies, the title of the book, "A Jell-o a Day Keeps the Fat Away." However, the author's present weight is 2,796 ounces.

We hear news of Kermit Hower from fellow classmates. He is coach and manager of the Gay Little Sailors basketball team.

Rita Bowman and Kathryn Brown are now teaching their children the skill of hoe downing.

Vivian Deaven has organized a factory which sells glass eye balls any size, shape or color.

Charles Poss Miller, president of the newly organized Lebanon County Friendly Hearts Club, has gotten dates for Warren Heilman, Ronald Swanger and Rosanne Kline.

Arthur Noll is head technician at the I. C. U. television station where Shirley Gassert has her daily T. V. show about cleaning door knobs.

Harold Ruth, Andrew Schoener and Robert Schrack have opened the Drop Dead Quickly Funeral Parlor.

Verna Gibble still maintains the school bus, although it's pretty well filled with little Gibbles.

Dave Ebling is now head of athletics at our dear old Alma Mater, but he still maintains the desire to run a meat truck.

Bernard Webber is the 849th most wanted criminal in the U. S. He has been caught pasting gum between the accelerator and floor board of the driver training car.

Harold Baker has turned out to be the only bachelor of the class. He is now known as Crome Dome.

Gerry Heberling is now the foremost authority on etiquette for the newspaper, "Early Late Gazette," of which Joel Zinn is editor in chief.

Yvonne Sonon has just received her 18th diamond ring in 19 years of marriage.

Paul Snyder's favorite is still slicing hot dogs, but the job has been made easier by the use of knives.

Marlin Umberger and Franklin Siegfried are co-owners of the Slurp-Burp Soda Fountain.

Gerry Honker, Arlene Deck, Peggy Garloff, and Marlene Schoener are touring the country with Tom Nixon's 3-Ring Circus.

## Senior Class Song

Nancy Honker, David Jeffers, Patricia Potteiger, Nancy Krall, Ruth Bennetch

The musical score consists of four staves of music. The top staff is for the soprano voice, the second for the alto, the third for the tenor, and the bottom for the bass. The music is written in G clef, 4/4 time, and B-flat key signature. The notes are primarily quarter notes and eighth notes, with some sixteenth-note patterns. The bass staff includes several bass clef symbols.

We're looking back across the years,  
Glancing here and there  
We've had our joys and shed our tears  
Of both we've had our share.  
Within the walls of Myerstown High  
We've lived and worked and learned;  
We've reached our goal, by and by,  
For which we all have yearned.

Our lads and lassies played their part  
Right to the top they fought  
To sports and studies each gave his heart  
To gain just what he ought.  
As all of this we leave behind  
And with the future plan to strive  
We hope that you'll recall to mind  
The class of 55.

The 1954-55 soccer season proved to be one of keen competition for the Mohawks. They placed third in the County Soccer League with a record of six wins against four defeats.

Lancaster High and Ursinus J.V.'s were added to the schedule this year, as practice games for the Mohawks.

Coach Hoffman stated that the soccer team did a fine job, but we dropped a few vital games which we should have won.

## Basketball

The Mohawks had a fairly successful season this year, coming out in the black with 9 wins against 7 losses. They placed third in the county competition. Mr. Hoffman had his hands full this season with the Varsity, J.V. and Jr. High teams. The fact that we had a record of 9 wins and 7 losses does not indicate the success of the season. There were at least three games lost which could have very easily been won.

The Junior Mohawks did slightly better than the Varsity in the '54-'55 season, with a record of nine victories and six losses.

These boys will represent our Varsity next year, and we wish them success in the future.

The aim of the Junior High team is to prepare the boys for the J. V. and Varsity teams. It also opens the field of basketball to more boys and later results in better and more experienced Mohawks.

This year the Junior Mohawks had a record of six wins and four losses.

This playing this year has shown to us, that there are some up and coming players to represent M. H. S. in the future.

## Baseball

Myerstown opened its 1954 baseball season under coach Mr. Dwight C. Fack by defeating Robesonia High 7 to 2. The Mohawks then journeyed to Wernersville and defeated the Wernersville Redskins by the same score they won their opening game, 7 to 2. The Womelsdorf Lions proved to be a tougher opponent and the Mohawks edged them by a 5 to 4 score.

With three pre-league victories on the books the Mohawks were ready to open their league with confidence. They won their first league game by defeating South Lebanon 6 to 2, with steady pitching by Bill Fencil and Gene Bucher.

Myerstown's first set back came at the hands of last year's league champions, the Palmyra Palms, who behind very good pitching edged the Mohawks by a score of 3 to 1.

Myerstown then stepped out of their league to travel to Elizabethtown where they trounced the Lancaster County lads by a score of 13 to 4. Home runs by John Mentzer and Dale Fack played an important part in the victory.

The Mohawks' second defeat came at the hands of Annville. A pitching duel between Bucher and Bahney of Annville ended with a 2 to 1 score in favor of Annville who later went on to win the 1954 county championship.

The next game with the Richland Chicks turned out to be a real breather for Myerstown with every one on the team contributing to a 22 to 5 victory on the Richland field.

The Mohawks played their best game when they defeated the Newmanstown Maroons by a score of 5 to 4. Fine pitching by Bucher, timely hitting, and very good defensive play determined the outcome of this tussle.

The journey to Heidelberg proved to be successful with the Mohawks adding another game to their win column by defeating the Barons by a score of 6 to 1. The bat of Firestone could not be stopped and he collected 3 hits for 4 times at bat including a triple, double and single. George Lessig received credit for the victory allowing only two hits, one going for a homerun.

North Lebanon Joint invaded Myerstown and behind good pitching by Zimmerman kept the Mohawks' bats silent as his team mates went on to a 4 to 2 victory over the home team.

Myerstown ended its season by traveling to Cornwall only to be defeated by the Miners 2 to 1 in a very tight ball game. Although Myerstown outhit the Miners 5 to 3 behind the fine pitching of Bill Fencil, good defensive play by the Miners was the deciding factor in the final outcome of this game.

Bucher not only led the team with fine pitching, but also had the highest batting average of .466, followed closely by Firestone with an average of .458.

Although Myerstown did not win the County Championship, they had a successful season with 8 wins and 4 losses.

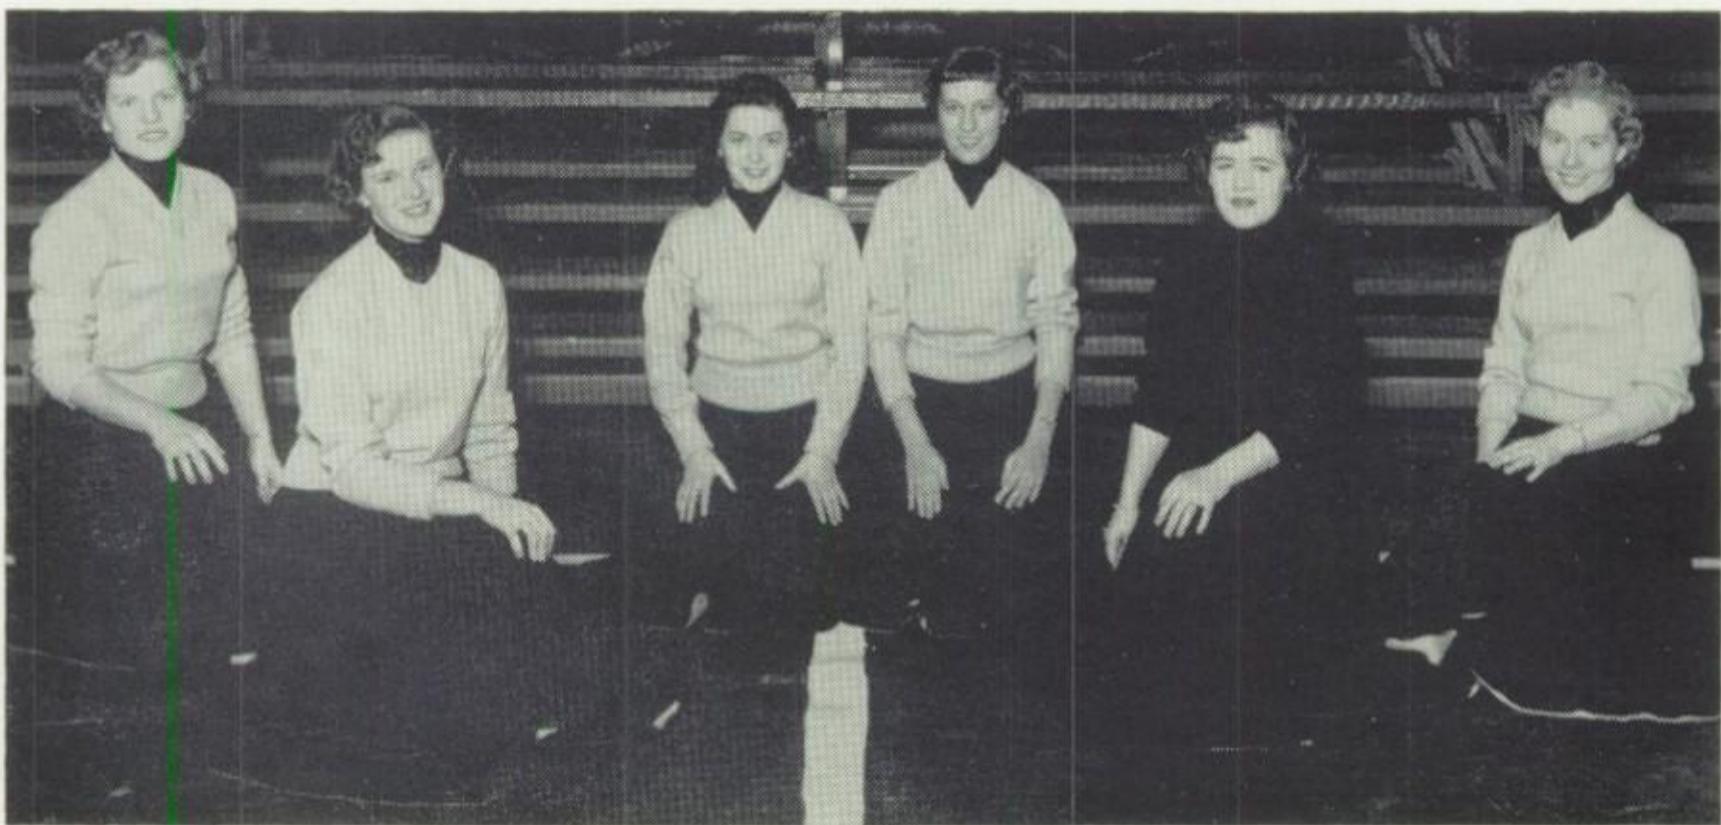

The prospect for a winning team in 1955 looks good with only 3 seniors graduating.

The boys on the team were: Dave Ebling, Conrad Youse, Gene Bucher, George Lessig, William Fencil, Franklin Fields, Marlin Umberger, Terry Schott, Ernest Firestone, Robert Andrews, Loren Kline, Dale Fack, Kermit Hower, Gene Lessig, Peter Jeffers, Richard Wolfe, Jere Pearson, John Mentzer, and George Peiffer.

Student managers were Robert Howell, Jay Wenger, and Stewart Hower.

### Varsity Cheerleaders

Row 1—P. Potteiger, R. Bennetch, R. Sanger, G. Phillippy, Captain S. Gassert, Co-Captain S. Tobias.

These peppy cheerleaders have done an excellent job this year. They were always on hand to lead the cheers at soccer and basketball games and they worked hard to put on pep assemblies before the games.

The new bright gold sweaters the girls sported this year were ordered for them during the summer. The sweaters did a lot in brightening the scene on the soccer field and the basketball floor.

Four of the girls are seniors and will be leaving this year.

### Junior Varsity Cheerleaders

Row 1—M. Potteiger, J. Ficca, Captain C. Sholly, B. Reppert.

The younger generation of our cheerleaders did a swell job following in their older sisters' footsteps. The girls, all freshmen and sophomores, cheered for the junior high and the junior varsity basketball games.

All four Junior Varsity Cheereleaders will probably be put on the varsity squad next year and try-outs will be held for this squad.

The hockey team showed lots of pep, zip, and energy in the games played this past fall; but that same pep, zip, and energy failed to be noticed in the final score of the games. Our hard-fighting lassies didn't win a game all season.

It can't be said that they didn't try. They certainly fought long and hard, but that certain something seemed to be lacking. Better luck next year, girls!

Myerstown High was proud of its basketball lassies this past season. Our girls won the county championship, going undefeated the whole season.

They are the first team in the history of Myerstown High School and in the history of girls' basketball in Lebanon County to wind up their season undefeated. This is indeed an honor.

The season was a comparatively easy one for our girls; Cornwall putting up the hardest battle, ending the game only eleven points behind our team.

Bev Ranaldi, captain of the team, made a terrific showing this year by racking up 303 points throughout the season.

There are four seniors on the team, only two of them playing varsity. Thus, the team should definitely "go places" again next year.

Congratulations on playing a swell season, girls!

The girls' softball team did not have a very impressive record last year, as they won one and lost five games. The season ended as a disappointment to the whole team.

This year the girls will have a better record to show, we're sure. The team will open the season with the hopes of doing a lot better than last year.
